24V Version
 Input : 24V, 250mA(max)
 Power : 2W
 IP54
 5-60°C
 F : 100N +/- 10%

230V Version
 Input : 230V, 200mA(max)
 Power : 2W
 IP54
 5-60°C
 F : 100N +/- 10%

Product Compliance

This product complies with the essential requirement and other relevant provisions of the following directives:

- EMC 2014/30/EU
- LVD 2014/35/EU (230V only)
- RoHS 2011/65/EU

The full text of the EU Declaration of Conformity is available at the following internet address:
