

EU Declaration of Conformity

On behalf of undersigned producer of the product:

Salus Limited.

6/F, Building 20E, Phase 3, Hong Kong Science Park
20 Science Park East Avenue, Shatin, New Territories, Hong Kong

D.O.C. document number: **DoC-EU-Sal-00342-1**

We declare that following identified product models:

Name of the product model: Current Transformers + Terminal Block + Wiring Parent Model Number: CTC, SALCTC1 Family Model Number: N/A Trade Mark: N/A Additional information: N/A

Fits to the rules of the European Union:

Reference number of the directive:	Name of the directive:
LVD Directive 2014/35/EU	Directive of the European Parliament and of the Council about the national legislation regarding the Low Voltage Directive (LVD)
2015/863/amendment 2017/2102	Directive of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS)
SVHC 251	Directive of the European Parliament and of the Council on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

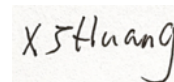

Reference number of applied standards (identification mark and year of issue):

EN 61010-1:2010+A1:2019	Test Report No.: 78251SC20502301 (Current Transformers)
EN 60998-1:2004 EN 60998-2-1:2004	Test Report No.: NB-KP2108245098511LR (Terminal Block)
UL No.: E214500 (Wiring)	

Other references and information:

CE Certificate Number: **AT78251SC205023 (Current Transformers)**
No. 3N210831.NKETN52 (Terminal Block)
UL No.: E214500 (Wiring)

This product is compliant to General Product Safety Regulation (GPSR)
